# 2017-2018 CSE Club Officers

Josh Marsden | President

Seth Lemanek | Vice President

Aaron Tsang | Information Officer

Chris Castaneda | Events Coordinator

Ryan Paglinawan | Historian (and Social Media)

Andrew Price | Webmaster

# Why join the CSE Club?

Club Services (to all students)	Member Benefits (by joining)
<ul style="list-style-type: none"><li>• Peer Tutoring (every weekday)</li><li>• Workshops (every Friday)</li><li>• Conferences (Futures in Engineering Conference/Summer Conference)</li><li>• Speakers</li><li>• Slack</li></ul>	<ul style="list-style-type: none"><li>• Library (in JB 357) - ask an officer</li><li>• Game Night/Study Marathon Discounts</li><li>• Club Outings &amp; Conference Funding</li><li>• Projects</li><li>• Voting Privileges</li><li>• Job Postings/Volunteer Opportunities (via website, newsletter and events)</li></ul>

## IEEE and why you should join

“Institute of Electrical and Electronics Engineers”

Professional organization tied to our field

Tons of online resources to help you become a Young Professional

# ACM and why you should join

“Association for Computing Machinery”

Professional organization focused on the Computing Sciences

A huge online library on all computing subjects

# How to Join the CSE Club

Join IEEE (<https://www.ieee.org/join>) or ACM (<https://www.acm.org/membership/join>)...

... get your membership number...

... and THEN fill out the form [https://cse-csusb.org/req\\_member.html](https://cse-csusb.org/req_member.html)  
or show us your membership number!

# Want to Help us out?

Let us know if you want to

- Become a Tutor
- Coordinate an activity
- Help Advertise the Club
- Design graphics
- Run a project
- Help Host Events

```

# Vote for your choice for Secretary and Treasurer

We are looking for club members who are interested in taking on a leadership role within the club.

It's time to vote: [bit.ly/020918-officer-voting](https://bit.ly/020918-officer-voting)

Positions available:

- Treasurer
- Secretary

## Upcoming Events (check our website)

Feb

9

### IDE Workshop

3:30 PM - 4:30 PM here in JB 359 after the meeting (and pizza)

Feb

9

### T-shirt Design Competition Ends

Deadline is 11:59 pm tonight

Feb

13

### Smart Grid Seminar

4:00 PM - 5:15 PM in SU-217/218

Feb

16

### VM Workshop

3:30 PM - 4:30 PM in JB 359

Feb

20

### LTC Regional Mobility Dialog

7:30 AM - 10:30 AM in the SMSU

## Design the Foothill IEEE section website

Feel confident in your web or graphic design skills?

The Foothill IEEE section (that includes us) is looking for **a new style** for their website

(<http://foothill.ieee-bv.org/>) **and logo**. Email us any designs you would like to submit.

# T-Shirt Design Contest (Ends today @ 11:59)

Email us a large PNG file of your concept. Club members will vote on their favorite. Be sure to follow these rules:

- No more than 2 print colors
- T-shirt color can change (3rd color)
- Include the CSE logo
- No CSUSB or Coyote images
- Only the front of the shirt

Win 2 free T-shirts and get your IEEE membership paid for by the club!

A short horizontal bar with a teal segment on the left and an orange segment on the right.

# Leonard Transportation Center: Mobility Dialog

*Tuesday, Feb. 20, 7:30 - 10:30 am in the San Manuel Student Union Events Center*

The Leonard Transportation Center is hosting a series of six educational and interactive breakfast dialog meetings to bring together community leaders like you in a discussion of how to best address the region's mobility needs. Each dialog will feature ideas and diverse opinions from well-known experts speaking on timely topics and an opportunity for you to engage with the experts and other participants.

**You get free attendance and food if you volunteer for the event (directing people from the parking lot to the SMSU, moderating table discussions, etc.)**

**Fill out this form ([bit.ly/cse-club-volunteer](http://bit.ly/cse-club-volunteer)) if you want to volunteer.**

# SCaLE 16x is Coming Up!

*Thurs-Sun, March 8-11 at the Pasadena Convention Center*

The Southern California Linux Expo is the place to be for fans of all things Linux and Open Source. You can find more information at the official SCaLE website: [www.socallinuxexpo.org/scale/16x](http://www.socallinuxexpo.org/scale/16x). *Stay tuned, as the CSE Club will be funding club members to attend this event.*

We need you to fill out this form ([bit.ly/cse-club-scale-2018](http://bit.ly/cse-club-scale-2018)) to show your interest in attending.

# Microsoft Academic Alliance

Are you a computer science or computer engineering student in need of tools such as **Visual Studio, SQL Server, Windows Server, Visio, Windows 10/8/7 license**, or other microsoft applications?

If you are enrolled in a computer science course, you are eligible to obtain many Microsoft development tools free of charge for academic use. You can get these for free through the CSE department by filling out [This Form](#) and turning it in to room **JB 352**.

# Github Student Developer Pack

Unlimited private repositories! Nothing else needs be said...

... besides the \$50 Linode server bonus, free GitKraken Pro account, cloud computing, etc.

What are you waiting for? Go and grab it -> <https://education.github.com/pack>

# Projects

## Micromouse

Project Lead: Arusyak Hovhannesyan

## Machine Learning with Python

Project Lead: Joshua Marsden
