Design the Foothill IEEE section website

Feel confident in your web or graphic design skills?

The Foothill IEEE section (that includes us) is looking for **a new style** for their website (http://foothill.ieee-bv.org/) **and logo**. Email us any designs you would like to submit.

IEEE branding guidelines: https://www.ieee.org/about/toolkit/masterbrand/DE_IEEE_MIG_MCT_48654

T-Shirt Design Contest (Ends Feb. 9th)

Email us a large PNG file of your concept. Club members will vote on their favorite. Be sure to follow these rules:

- No more than 2 print colors
- T-shirt color can change (3rd color)
- Include the CSE logo
- No CSUSB or Coyote images
- Only the front of the shirt

Win 2 free T-shirts and get your IEEE membership paid for by the club!

Apply now for an officer or coordinator position

We are looking for club members who are interested in taking on a leadership role within the club. If this is you, then fill out this officer application form: **bit.ly/cse-club-officer-application**

Positions available:

Leonard Transportation Center: Mobility Dialog

Tuesday, Feb. 20, 7:30 - 10:30 am in the San Manuel Student Union Events Center

The Leonard Transportation Center is hosting a series of six educational and interactive breakfast dialog meetings to bring together community leaders like you in a discussion of how to best address the region's mobility needs. Each dialog will feature ideas and diverse opinions from well-known experts speaking on timely topics and an opportunity for you to engage with the experts and other participants.

You get free attendance and food if you volunteer for the event (directing people from the parking lot to the SMSU, moderating table discussions, etc.)

Fill out this form (bit.ly/cse-club-volunteer) if you want to volunteer.

SCaLE 16x is Coming Up!

Thurs-Sun, March 8-11 at the Pasadena Convention Center
